

Dear Hopeful Virgins and loyal Repeat Offenders:

We are pleased to announce that effective January 1, 2019 we are introducing our "700 for 12" repeat guest program and we are changing our repeat guest giveaways at the resort as detailed below.

700 for 12

- **Guests paying for 12 nights traveling in the same calendar year will receive a \$700 voucher which must be used also in the same calendar year.**
- **The \$700 voucher may be used as a credit toward the cost of additional nights and/or may be used as a resort credit for Private Dinner(s), Spa, Wine Bar, Espresso Bar, upgraded Sushi menu, and Lifestyle Boutique.**
- **Voucher may not be redeemed for cash and any unused portion will expire on December 31 of the current year.**
- **Voucher may not be used for any off-site excursions, photography sessions or wedding packages.**
- **The 700 for 12 program replaces the 3 for 14 program, effective January 1, 2019**

Resort Giveaways

As our Repeat Offenders are aware, we have a long-standing practice giving away free nights during our weekly Repeat Guest cocktail party. We are pleased to update you with our new on-property Repeat Guest Giveaways:

- **Guests who have stayed the most nights without winning a giveaway will receive a \$1500 credit voucher for their next stay.**
- **Guests who have won the above mentioned voucher (or the free nights it replaces) on a prior visit and have visited the most times since using the award will win a \$1000 voucher.**
- **Random drawing for 3 guests will each receive a \$500 voucher.**
- **Vouchers will have a one year expiration from the date of the current guest's departure date and may be used as payment for rooms and/or resort credit.**
- **Regardless of the amount, these vouchers may only be redeemed directly with the resort.**

We thank all of our wonderful Repeat Offenders and travel partners for your tremendous support.
