

Dear Clients

As you know, **our properties in Mexico are more than consolidated**, and continue to grow. What better example than **The Eden, our new section at Desire Riviera Maya Resort, opening in 2024**, which will be adding seductive facilities and rooms to our already beloved resort.

The success of our accomplishments so far is irrefutable proof that **the depth of our commitment** to both our brands and to providing the best experiences to our clients, **goes beyond what you could possibly imagine**, which is why our hearts are heavy today.

After years of putting all our talent, energy, and faith in the development of our two new resorts in the Dominican Republic, **our Miches endeavor has come to an end**.

**January 15<sup>th</sup>, 2024**, will be the last day that our **Desire and Temptation brands and concepts** will be attached to **Miches, Dominican Republic**. Effective **January 16<sup>th</sup>**, the only resorts operated by Original Group will be **Temptation Cancun Resort, Desire Riviera Maya Resort, and Desire Riviera Maya Pearl Resort**.

Despite giving our best, things didn't turn out as we had expected; however, we feel proud of everything that we achieved and learned from the experience.

We look forward to welcoming you at our resorts in Mexico, where we will continue to go beyond your expectations.

Important: please note that the two resorts in Miches will continue operations under a new name and a new concept that will not be related to us in any way.

**Original Resorts will offer options regarding refunds or payments for Miches vacations to be transferred to its Mexican properties: Desire Riviera Maya, Desire Riviera Maya Pearl and Temptation Cancun.**

Sincerely,  
Original Group
