Recent developments and construction completed by the current ownership:

If you haven't visited the resort the past 2-3 years, you will see numerous changes and improvements in the dining experience as well as upgraded rooms and entertainment facilities. Common areas have undergone upgrades throughout the property. The Hedonism reception area has a new look. The complete courtyard in front of the piano bar now features a lounge area. Hedo also added a wine bar & coffee bar. The Reggae Cafe by the prude beach is remodeled and upgraded, in the evening becoming Flame, a steak and chops grill. The Harrysan Asian restaurant now has its' own kitchen plus a sushi bar. The piano bar is also remodeled.

Approximately 15% of the Hedonism ii hotel room inventory has been converted to a Premium status with new bathrooms, new soft goods, flat screen satellite TV and 12 Jacuzzi Terrace Ocean view rooms have been upgraded. Other rooms have also been upgraded to the Premium status, and standard rooms received new soft goods and are redecorated. See more below in the section for Rates (and rooms).

Expected upgrades and additions planned: Total reconstruction of the main Terrace restaurant and adjacent pool deck, upgrades to the nude pool and nude bar, addition of a new entertainment and pool area at the main beach which should expand the options for more events and activities at the underutilized location in front of the nightclub.

Hedonism ii (Hedo) Seriously Fun Adult Resort for Naughty Adventurers

ALERT: As these projects take place, guests will experience some ongoing construction projects so be aware that the resort will make arrangements for functions and activities elsewhere on the property. Upgrade projects will continue.

The Hedonism Hotel resort has 280 rooms located on a tropical beach with separate two-story buildings with two twin or king bed configuration. Some rooms face the beach; some are garden view locations. The resort is arguably the “Mother of all inclusive, adults only resorts” and has a worldwide reputation for fun, frolic and the wild lifestyle. Our clients who visit Hedonism # 2 come from every continent in the world, and they’re there for one reason—to have fun. If you like to read a book and veg out, you can do that, but the place is so active with lots interesting people, you may miss some of the greatest opportunities to meet the most fun loving people from all over the world. Ages can range from the early 20s to the 70s.

Nude Beach: Total beach length is over 1,000 feet long, with beautiful white sand, comfortable on your bare feet. Hedonism is between Point Village Condos and Sandals Negril. The complete beach is devoted to clothing-optional sunbathing with wood frame guest buildings located there as well. You can choose ocean view or garden view accommodations. About 15% of the room inventory is devoted to more upscale Premium rooms which are completely re-decorated. Including many of the Jacuzzi Terrace accommodations where you will find a hot tub located on a patio just outside your room.

Built in the late 70's Hedonism was the first part of the SuperClubs resort chain owned or managed by the John Issa family of Jamaica. Negril Beach Village became Hedonism ii in 1981. There never was a Hedonism I, leaving many eternally confused. The resort has since been bought from SuperClubs and now has private, independent ownership including the General Manager of the resort.

If you haven't been to Hedonism ii, go with an open mind and relax. You do not have to participate in any of the resort's organized activities or themes whatsoever...you can just sit back and watch the fun or you can choose to participate. It's your choice, and it's your vacation.

In summary, don't go there expecting "five star" luxurious guest rooms (even though some are considerably upgraded) or overt the top cuisine, you get the basics, and it's a good value. The main reason to go is to cut loose and meet the most fun people on the planet.

Hedonism ii (Hedo) Seriously Fun Adult Resort for Naughty Adventurers

Bottom Line: Go and watch the party or go and be the party.

Getting There

Hedonism ii (Hedo) Seriously Fun Adult Resort for Naughty Adventurers

A Passport is required to enter Jamaica. Check the expiration date of yours. Visas may be required depending on your country of citizenship. Check Jamaica [Visa Requirements](#) for your country.

Built on a beautiful bay facing the western Caribbean with white, sandy beaches This tropical resort on the far western tip of Jamaica is Hedonism is in Negril, about 50 miles west of Montego Bay. Hedonism # 2 occupies about 25 acres. The little town of Negril is about 5 miles west of Hedonism with a craft market, stores and a several beach view bars. The most overrated of which is Rick's Cafe, good for a crowd, an overpriced beer and a sunset. Save your money and spend it on the sunset catamaran cruise right from the resort.

Most travelers fly into Montego Bay. You may elect to take a shuttle or taxi to the property or fly from Montego Bay to Negril on an air taxi such as Tim Air. Costs range from \$150-\$200 per person and take 15-20 minutes. (Price subject to change without notice). The resort is across the street from Negril airstrip. The bus or taxi ride takes about 1-1.5 hours.

Hedonism ii (Hedo) Seriously Fun Adult Resort for Naughty Adventurers

Avoid the airport crowds? Reserve your spot at [Club MoBay](#), an upscale traveler's lounge in the newest section of the Montego Bay Airport. The Club provides expedited arrival, customs/immigration, and departure services in addition to the Club admission, all-inclusive, with drinks, bar service and snacks, WiFi, satellite TV provided.

The beach road to Negril is scenically beautiful. The trip requires less than an hour and a half to reach Negril from the Montego Bay airport. The Negril airstrip is virtually across the street from Hedonism.

You can make reservations for Tim Air or others on the internet outbound (<http://www.timair.net>) and at the resort's tour desk for a return flight.

Take your pick of flights that service Jamaica, but plan to fly into MONTEGO BAY as your final destination since it's the closest international airport. Shuttle transfers service is available at the Mo Bay airport, and you can arrange them with Castaways Travel if your flight itinerary is available. Kingston is several hours away over mountainous roads.

Airport transfers are not provided from Kingston; you have to make your way via taxi....and the trip can be expensive and long.

Hedonism ii (Hedo) Seriously Fun Adult Resort for Naughty Adventurers

Air Options: American Airlines, Delta, United, Jet Blue, Southwest, Spirit and more; Thompson, Martin, and Condor from Europe plus many others service Jamaica. The most charters originate in Europe from the UK, Belgium, Italy, Germany and the Netherlands. Air carriers are subject to change without notice and pricing varies widely. All 280 rooms are located in separate wood-framed guest buildings. Rooms are plain, clean and contain a king bed, clock/radio, telephone, television/satellite TV, coffee maker and private bath. Make sure you ask your waiter's name, introduce yourself, be happy and converse with the locals. Remember, Jamaica is a low-income island so be friendly but expect to be offered items for sale on the street. Drugs are against the law.

Additions at Hedo # 2 include a rock climbing wall, plunge pools and swim-up bar in front of the disco on the prude beach, open air café adjacent to the plunge pool near the disco, see through hot tub atop the disco, air conditioning for the disco (applause), jungle bridge and water slide, large fitness center, spa and beauty salon, an open air Asian restaurant, upgraded main pool, pool deck and Jacuzzi and an internet café off the lobby area.

The spa additions and treatments put Hedo # 2 on the map as one of the better salons on the island.....so gals, take your charge cards and prepare to be pampered!

Most rooms are king bedded anyway, but all the bedding converts to two singles. Bathrooms have been upgraded where the existing tub has been replaced by a shower with multiple shower heads, great for more than one person to enjoy while sharing the water!

Hedonism # 2 has 5 bars, 1 buffet restaurant for breakfast, lunch and dinner, 1 Italian ala carte restaurant (Pastafari) and an Asian restaurant(Harrysan) for evening meals, Flame (pool deck) beachside cafe, private dining options (see below in Dining section),3 Jacuzzi/hot tubs, 3 pools, the piano bar, wine bar (premium wines-extra charge) shops and lots of parties with theme nights and entertainment daily. Two beach grills offer burgers, fries and snacks during the daytime plus a couple of beach bars service the property near the water.

WiFi Service: WiFi service is available in resort guest rooms and is typically most reliable in the courtyard in front of the piano bar....but service can be intermittent. There is a charge for WiFi service in your room with rates starting around USD \$15/day (not guaranteed, subject to change). There's a room charge for WiFi use in your room; WiFi is free at the courtyard.

Ambiance

The biggest asset is the guest list: Hedonism is a 3 star resort with 5 star guests!

Folks don't usually vacation at Hedonism for its food or rooms—they go to meet other fun loving extroverts who return year after year. The nude beach, nude pool and nude hot tub areas attract most of the laughter and mischief. The disco with its theme parties plus dances around the main pool deck give you plenty of excuses to break out your costumes for night time fun for a year-round “summer camp” for adults. There is some type of entertainment or theme each day and night. People are fun and get a little crazy. There is so much to do there, however, you sometimes feel like you need a vacation upon your return to reality.

Hedonism ii (Hedo) Seriously Fun Adult Resort for Naughty Adventurers

The entertainment staff is young, talented and eager to please. It's always amazing what acts and entertainment choice they offer and some of the featured talent is world class...you won't be bored. The piano bar with Dion and other talent featuring guests taking over the mic and well as occasional karaoke, too. The current "artist in residence" presiding over the piano bar is Dion...he should be in Vegas. The entertainment staff is headed by Winston, an incredible talent with a terrific voice...he should be in Vegas, too.

Here is a current listing of theme nights: (themes subject to change without notice)

- ○ ■ Sunday – HEDONISTIC SCHOOL GIRL
- Monday – JAMAICA NIGHT
- Tuesday – BARE AS YOU DARE GLOW POOL PARTY
- Wednesday – FETISH NIGHT LEATHER & LINGERIE
- Thursday – TOGA FOAM PARTY
- Friday – ROCK STAR
- Saturday – HATS & HEELS

Hedonism ii (Hedo) Seriously Fun Adult Resort for Naughty Adventurers

Alert: All these activities and theme nights listed above are subject to change without notice, sometimes at the last minute whim of the resort. If theme nights are very important to you, please check with us about a week before you depart and we'll get you the most updated info we can.

For all its reputation, the grounds and feel of the place can be quite romantic with a wonderful tropical ambiance, with beautiful flowers and ivy mixed with huge hardwood trees and palms.

Hedonism ii (Hedo) Seriously Fun Adult Resort for Naughty Adventurers

Hedonism II has a bit of a reputation for indiscriminate sex especially in the evenings around the nude pool and Jacuzzi. In the past the resort was often pretty strict to such goings on... but getting real about it... it's less regulated than it was before. On some of the "calmer" weeks, we find that probably about 10% of the guests are responsible for 90% of the reputation, but other weeks, especially with some of the larger groups, participation is a lot higher. But to be clear... management policy from Hedonism says: public sex is not permitted. If caught breaking the rules, with flagrant, chronic violations, you can be escorted off the property without a refund. End of story. Our advice... go with the flow of what's happening around you. But if a staff member requests you "cool it"... then take it to your room. Go to our [Frequently Asked Questions Section](#) for a little more discussion on the sex subject. ALERT: You may see outright PDSAs (Public Display of Sexual Affection) occur around the nude pool and beach occasionally when large groups are there for the week or later at night.

Hedonism has an "On Premises" club called: Rendezvous Lounge

Hedonism ii (Hedo) Seriously Fun Adult Resort for Naughty Adventurers

Hedonism II's Rendezvous Lounge is open nightly for Couples & Single Females (no single males). Groups can request to Host a night, however, the Lounge will be open to all mentioned Guests. The playroom is with water, champagne, house wine, towels, beds and plastic cups. No glasses, high heels or smoking is allowed in or around the area. No one is allowed in any of the three pools.

Dress throughout the resort is CASUAL, with beachwear the norm from thongs to shorts. Guys: No ties, no coats, no long pants needed or required. Hedonism # 2 is NOT a nudist resort, but most of the guests stay that way for most of the day. Most guys and girls wear shorts, T-shirts or polos for daily meals and in the evenings, some actually "dress up" for dinner although it's not required. Gals, that's the time for your glitter, spike heels, and see-through outfits. All restaurants (except nude beach grill) and attendance at public venues such as spa, beauty salon, piano bar and shops require a cover up or clothes of some sort.

All rooms have updated plumbing, water supply, and air conditioning improvements but the A/C is mostly a crap shoot....sometimes you get cool air, sometimes a little breeze and no chilled air. Most of the buildings operate from a central unit so the A/C controls in your room are for off and on with a fan speed includedbut compressors/condensers have had their share of overload, so crank the unit down all the way for a cool night but DON'T count on it. Occasionally, the power goes out or water service breaks for a few hours but it's usually temporary. It's an island thing throughout the Caribbean so you get used to it or choose not to return.

TIPS • Just flush first before you do your duty.

Hedonism ii (Hedo) Seriously Fun Adult Resort for Naughty Adventurers

- Carry a flashlight and umbrella in your checked luggage. You may never need it but it's nice to have when it rains or the lights go out.
- Get to the pool early if you want a seat.
- As an option: Try the beach for a lounge chair.....there are many.
- Make reservations in advance if you want to dine in the Asian or Italian restaurant.
- Take a plastic insulated cup top to keep cold things cold & hot things hot plus it cuts your trips to the bar for a re-fill.
- For theme nights, girls, take some extra safety pins or ties to secure your costumes when you put them on instead of having it fall down around your knees while you dance (unless you want it to!). Hey, whatever turns you on! Oh, also take extra clothes hangers....the closets never have enough for all your outfits.

Sightseeing

There are many sights to see locally other than beaches, sparkling Caribbean sea and beautiful coral cliffs.

Hedonism ii (Hedo) Seriously Fun Adult Resort for Naughty Adventurers

Shopping for crafts at the market across the road from Hedonism # 2 is a good place to start and costs nothing unless you buy something. The locals are fun to kid with but be ready to bargain if you find that certain something that catches your eye.

Hosted tours can be arranged at the resort's Tour Desk and there are a couple of small native craft markets there, one near the resort, across the street from Breezes Grand Negril, adjacent to Hedonism. You can also choose to visit Montego Bay for a day of shopping, Mandeville for a trip to the mountains, Cliffs at Rick's, raft the rivers or visit Dunn's River Falls near Ocho Rios. At least 30-40 off-site and enjoy tours are available from the tour desk at the resort. A trip from Negril to Ocho Rios (through Montego Bay) is a hike, requiring at least 3 hours, one way. An overrated trip to Rick's Cafe on the western seaside cliffs in Negril for a beer at sunset is always a common "in thing" to do. Down the beach from Hedo # 2 is Jimmy Buffett's Margaritaville, good for an afternoon of exploring and sampling the imported "culture" from Key West. Cosmo's Restaurant is down the road a mile or so, also good for some of the best and freshest grilled seafood in Negril... prepared to order.

Did You Know...

Castaways Travel KNOWS the surrounding area around Negril to help you plan to get the most out of your holiday in and around Hedonism # 2 and the local areas plus Montego Bay.

[See: 11 Reasons to use Castaways Travel](#)

Hedonism ii (Hedo) Seriously Fun Adult Resort for Naughty Adventurers

For a fun and games and little bit different nightlife off the resort in Negril, try Risky Business, the Jungle and Jimmy Buffett's Margaritaville for night time adult mischief. All of these watering holes are on the main street headed to Negril from Hedonism, a short taxi ride away. ALERT: These places tend to change names or new locations can crop up so ask the Tour Desk for their latest recommendations.

One little venture we enjoy is to take a taxi to west end Negril and have a beer or a meal at one of the little cliff-side resorts and restaurants there. Rock House is one of our favorites on the west end and enjoy a cool little resort, a neat bar for a beer at sunset, a less crowded venue than Ricks and a nice restaurant for a change of pace from the resort scene.

Dining

Hedonism ii offers several restaurant and munchy choices at the resort. Restaurants include the open air café by the disco, Pastafari Italian dining, open air meals for breakfast, lunch and dinner at the Terrace adjacent to the main pool, an Asian cuisine bistro (Harrysan) adjacent to the main restaurant near the piano bar, a snack bar at the beach pool and another near the rock climbing wall. An addition called the Flame is available for pool deck dining in the evening with special menus available. See below for description of the options for private dining. Themed restaurants have proven popular at other Jamaican resorts and the food preparation lends a nice diversion to buffet meals. But don't go expecting five star, upscale cuisine...the food is healthy and plentiful and you won't go hungry. The resort is a good value but don't go expecting the Ritz for your dining pleasure.

Hedonism ii (Hedo) Seriously Fun Adult Resort for Naughty Adventurers

The best jerk chicken is served at the beach pool grill, next to the pool bar, usually until around 5 PM most days...a great way to top off a fun afternoon in the pool or soak up your alcohol consumption for the day. Don't miss the French fries... Yum Yum!

The same beach snack grill is open in the middle of the night for pizza munchies....almost until the sun comes up.

An additional and convenient beach grill is located near the disco and features grilled choices as well plus a bar is nearby for day time libations at the plunge pool on the beach in front of the disco.

Jamaican, American and seafood dishes are featured during the main buffets. The food is plentiful and filling. Premium liquors are served along with beer and wine. A midnight snack service features light choices, salads, burgers, fries and some sweets.

NOTE: The Italian and Asian restaurants may require reservations....rules change often so check at the front desk. Make your reservations at the Tour Desk or guest services in the lobby in advance, Don't expect to "crash" them to be admitted, no matter how many times you've been there.

Weekly there is a Manager's party and repeat guests' reception to Thank You for support. Typically, the client with the most paid visits receives some free nights for a return visit.

Wines: [See the list of appellation wines available for purchase on site at Hedonism.](#) List is NOT guaranteed and will change without notice. Note: There is a wine bar with fine wines as well as a fine coffee bar. Both carry an extra charge.

Best room locations on the nude side are those facing the nude beach around the numbers 2120-2130 and then the 2161-2180 range as well as upstairs on the second floor. For less noise but still a good nude side location, the "H" block rooms run from 2131 to 2150, Garden Nude rooms. The rooms nearest the nude pool can be noisy late at night if the nude hot tub attracts a crowd of partiers. The best and quietest rooms on the resort are opposite the nude side...at the other end of the resort adjacent to the other beach area. Regular Garden view rooms are fairly quiet, too, and are the best value on the resort.

The single-share program at Hedonism # 2 is a good deal for single guests, who normally get penalized at most resorts with a supplemental charge. The single-share program permits you to pay for your room based on double-occupancy, where the resort assigns you a room mate of the same gender. Room categories for single share are Garden Regular and Garden Nude rooms.

Impressions

Uppers-Downers

↑ ↑ ↑ The fun loving crowd of adults who return to Hedonism is the reason for being there... not the room or cuisine. It's the party atmosphere that really sets the tone.

↑ ↑ ↑ The older wait staff will often remember you if you're a returning guest. They include Norman, Kendrick and Raymond, institutions in their own right.

Hedonism ii (Hedo) Seriously Fun Adult Resort for Naughty Adventurers

↑↑↑ Marriage ceremonies are free to guests with a 2 day residency requirement. There is a \$150 administrative charge by the local parish to register your marriage certificate. (Price subject to change without notice).

↑↑↑ The resort has made great strides to minimize and control overbooking during heavy occupancy periods in January through March, July, October, November and the holidays.

↓ Hedonism can be surprisingly subdued occasionally with few partiers around. A mix of adults who like to have fun usually means you will find some compatible folks who you might become good friends with and perhaps even visit after your return home.

↑↑↑ If you not have visited Hedonism # 2 in recent years, you may hardly recognized the public areas, the main beach section or the common grounds adjacent to the main dining area or the spa facilities. The improvements are great additions to your fun and include the expanded spa, revamped courtyard in front of the piano bar, rock climbing wall, main beach bar, water tower and slide plus more hot tubs.

↑↑↑ The single-share room offer at Hedonism # 2 is a good deal for single travelers who normally get penalized at most resorts with a supplemental charge. The single-share program permits you to split a room with another guest of the same gender. You pay for half a room based on double-occupancy. Of course, you can always buy a single, private room. Single share is for Garden Regular and Garden Nude categories.

↔ Be prepared for a little rain almost every day so take an umbrella or poncho. We list this as both an upper and downer because one of the standard procedures is to hit the hot tub if it does rain with drink in hand. Most of the time those showers pass quickly... just enough time to retire to your room for a little "private" time.

↓ The resort is old (early 1970's) so you may experience some niggling aggravation with some of the physical plant, rooms or service. Sometimes there's a water or power disruption somewhere; other times the bar may run out of certain liquors, the A/C can be on the fritz, WiFi is down temporarily, etc etc. Maintenance philosophy in the past has been the classic line: "IF it ain't broke, don't fix it" and when it does break, "Do enough to get it back in operation...when you can." Like we said, don't go expecting the Ritz....but the new owners are putting the money where it belongs.

Best Time To Go

Fall, winter and early spring can be slightly less humid than late summer. Summer time through the fall months can be a bit more humid, with daily rain showers the norm year round....it's called the tropics for a good reason. Standard procedure—hit the hot tub if it does rain with drink in hand. Late August through early October can include unstable weather due to storm season, although they're rare. Room rates are generally higher from about Christmas to end of April, with holiday rates higher than any time during the year. Late August through September are the least expensive.

High occupancy months are usually: January thru mid April, July, October, November and the holidays. ALERT: First week in August, the resort opens the property to local citizens with reduced admission to celebrate the Jamaican National holiday of Independence, celebrated on August 6. This guest mix can also change the ambiance of the resort.

Wish List

- Pet peeve is the guest room air conditioning can be inconsistent, room to room, even with new equipment. Do NOT expect real air conditioning in the rooms. If you can, take a small portable fan and pack in your suitcase if it fits.
