# *N* magazine's Special Edition 2024!

The Naturist Society Foundation has been actively working on numerous projects, with one of them being the release of *N* magazine's Special Edition 2024. This limited printing is exclusively available as a gesture of gratitude to three distinct groups of naturists:

- (1) First-time members of TNSF.
- (2) New Lifetime Members of TNSF.
- (3) Donors contributing \$250 or more to TNSF.

To get your copy of the Special Edition 2024, you must become a first-time member of TNSF, renew as a Lifetime Member of TNSF, or donate \$250 or more to TNSF, and request your copy of the Special Edition. The Special Edition 2024 will not be available in any other manner.

The Special Edition is TNSF's latest initiative to expand its membership, educate people on naturist living, and promote clothes-free body acceptance. It contains 32 pages, artist bios, and 78 images from these popular and widely published artists who specialize in naturist-related themes: Michael J. Cooney, Jack Gescheidt, Albert Pantaleon, and Henry Yuen.

Once this printing of 2500 copies is sold out, Special Edition 2024 will likely become a collector's item. If you are contemplating joining TNSF for the first time, becoming a Lifetime Member of TNSF, or donating \$250 or more to TNSF, now is the best time to do it. Just make sure to request your copy of *N*'s Special Edition 2024 when you do so.
